SAMUEL DICKIE Business Manager

The page is decorated with several thick, green, hand-drawn geometric shapes. A large, irregular polygonal frame surrounds the text. Inside this frame, there is a smaller, more complex shape that resembles a stylized 'A' or a series of connected line segments. The background of the page is a light cream color, and the text is printed in a black, sans-serif, all-caps font. The overall design is minimalist and modern.

In the years 1890-91, a small group of literary students founded a publication that was to be a summary of the outstanding events and literary contributions of that school year.

Since that time progress in the arts of photography and engraving has led yearbook staffs to the use of a greater amount of pictures and less of literary talent, till today we have a veritable picture book.

In editing this fiftieth anniversary volume we have tried to portray a half century of change through the medium of sketches and photographs. We sincerely hope that we have recorded a true picture of the spirit of progress.

FOOTH ALBIONIAN PUBLICATIONS COUNCIL

Each year four students from the upper classes are elected by the student body to serve on the Publications Council with two faculty members appointed by the administration of the college.

The Council assumes control of campus publications, elects the staffs of the "Pleiad" and the "Albionian," and supervises the editorial policies, financial control, and operation of all college publications which carry advertising.

An honorary co-educational journalistic fraternity, Alpha Phi Gamma requires that members maintain a high scholarship record and serve in one of the responsible editing or business positions on the Albionian or Pleiad for a minimum of a year. After election members continue to serve on the publications.

The organization, reorganized here in 1939 with five members, has as its purpose, the desire to recognize individual achievement and ability in journalistic pursuits in Colleges and universities, to serve and promote the welfare of the college through journalism, to establish cordial relationships between the students and members of the profession and to unite in a fraternal way, congenial students interested in journalism.

Those students who are members of the Albion College Players and who do commendable work in either production or actual dramatic work, are elected to Theta Alpha Phi, national honorary dramatic fraternity. Epsilon chapter of Albion College was installed in May, 1929.

The purposes of this fraternity are to increase interest, stimulate creativeness and foster artistic achievement in all of the allied arts and crafts of the theatre. Theta Alpha Phi is the highest honor to which a college actor can attain. Epsilon chapter on Albion's campus works within the group of Albion College Players and sponsors the productions of the larger group. "Arms and the Man," by George Bernard Shaw, and Thornton Wilder's Pulitzer prize play, "Our Town," are noteworthy plays of this year's season.

Formed to represent student opinion in all campus activities, and to act as intermediary between the students and faculty, the Student Council strives to aid the student body as a whole to sense that through participation and management, Albion college activities will be based upon student interests.

A representative group, comprised of members of the senior, junior, and sophomore classes, and one faculty member, the Student Council sponsors several activities. This year the council sponsored the "Big Three" weekend, all class elections and numerous social events.

The Albion College Players is a local dramatic club. Requirements for membership in the organization are ability in dramatic or production work and membership in the associated group of the Players.

Through a plan for the collaboration of the play direction class and the Albion College student players, a larger group of students are given an opportunity to do something in drama. They present several one-act plays throughout the year before groups in the community, out of town, and in the college chapel. Approximately 200 students participated in the production of these student directed plays, and other plays sponsored by Theta Alpha Phi.

The Associated members of the Albion College Players are a probationary group, membership of which is gained through tryouts each fall. Associate membership is a prerequisite for full membership in the Albion College Players.

Requirements for membership into the Associate group are tryouts or production work, and merits earned by work in dramatic productions. After being admitted into the organization, members work for points towards full membership. After having obtained this, they work for membership into Theta Alpha Phi.

A tour of three states, Michigan, Indiana and Illinois, with a total of 25 concerts in as many cities, comprised the itinerary of the sixth annual trip of the 55-piece Albion College Band which is under the direction of Mr. Conway Peters.

Included on the program for the spring tour was a solo by Robert Souter, and a skit, "Sweethearts, a Musical Fantasia," by Mr. Peters, with Kathleen Smith as Suzabelle and Thos. H. Andrews as Luke, the sheriff from Hollar Crik.

ORCHESTRA

Musical numbers by the composers, Beethoven, Bizet, Gounod, Saint Saens and Kretschmer were included in the program of the concerts given by the Albion College Orchestra. The group accompanied the band on the spring tour which included three states, and gave two home concerts in the chapel.

This year the a cappella choir presented nineteen concerts in four states in sixteen cities during its two-week annual tour. On Sunday, April 7, the choir sang on a half hour broadcast over the Michigan radio network, and on March 21, they presented their home concert in the college chapel.

The group participated in the oratorio, "Elijah," by Mendelssohn, December 13. Mr. Theodore Vosburgh directed the group.

Approximately 16 students participated in the music department's production of the "Toles of Hoffman," by Jacques Offenbach. The opera presented during the dedication of the college chapel, was the third musical production presented by the group. Previously the opera, "Martha," by von Flotow, and "Bastien and Bastienne," by Mozart were sung.

Miss Beatrice Nesbitt and Walter James sang the romantic leads. The entire cast was directed by Mr. and Mrs. Theodore Vossburgh. Miss Beulah A. Chomp assisted in dramatics.

Seven members of the choir are active in the Albion College Madrigal Singers, a group whose singing style is fashioned after the informal singing groups of medieval times who sang while seated around a table.

This year the Madrigal group sang on the "Albion 'Round the World" program over radio station WJR February 13, at the Albion Alumni banquet in Detroit; and on programs in Battle Creek, Grand Rapids, and Albion.

The purpose of the Co-operative association is to carry on a textbook and supplies business at the lowest possible cost for the advantage of students. The organization has brought this aim into effect since 1893, lowering the cost of textbooks twenty to thirty per cent.

Three faculty members and six students comprise the board of directors, the student body electing each year, three sophomores to serve a term of two years.

Fiske Lodge was officially established November 29, 1937, with twelve charter members. The name, Fiske Lodge, was chosen in honor of Dr. Fiske, president of Albion College from 1878 to 1898.

In the summer of 1937, the first plans were made for the establishment of a cooperative fraternity, and on October 29, a student committee was appointed to develop a group into a cooperative fraternity which would promote scholarship and comradeship at a minimum living expense.

The Biology Club is the oldest departmental club on the campus for it was founded in 1896. Composed of students majoring or minoring in biology who maintain at least a "B" average in biology, the Biology club holds monthly round table discussions with student reports on subjects of current interest in the field of science. This year the club brought two outstanding speakers to the campus, Dr. R. L. Kahn of the University of Michigan and Dr. Melvin H. Knisely of the University of Chicago.

Mr. Clarence A. Peters

The men's debating squad under the direction of Mr. Clarence A. Peters, participated in a total of 96 inter-collegiate debates. Winning 86% of their decision debates the men succeeded in establishing one of the best records in recent years. The men won seven of ten debates in the Albion College invitational tournament, thirteen out of fourteen debates in the Michigan Intercollegiate Speech League tournament. In the national Delta Sigma Rho tournament at Madison, Wisconsin they won three of their six debates. The question debated throughout the season was "Resolved that the United States should adopt a policy of strict military and economic isolation toward all nations (except in the western hemisphere) engaged in armed civil or international conflict."

The Albion College representatives to the Delta Sigma Rho tournament were: Leslie Fleming, Tom Brock, William Henning, Charles Elliott, and James Bristah.

MEN'S DEBATE

McDougal, Raymond, Davison, Harton, Tapert,
Atkins, Littlefield, Stouffer, Hance, Fisch, Reavey,
Chubb, McIlvenna, Nutting, Abbott, Baldwin, Mildren, Wiener

Participating in eighty intercollegiate debates and a number of discussions, the women's squad during 1939-1940 continued the extensive activities of previous seasons. In addition, it compiled an excellent record by placing first in three tournaments and being unsurpassed in the Delta Sigma Rho tournament at Madison, Wisconsin.

The women began the season with a number of practice debates and "rebuttal drills" with Wayne University, Michigan State College, and Michigan State Normal College. They then entered a tournament at the University of Toledo, winning first place with six victories and two defeats. Then followed a state invitational tournament held at Kalamazoo College, the Albion women again winning first place with nine victories and three defeats. In the State Tournament, held at Michigan State Normal College, Albion was the winner with eight victories and two defeats. Other events were the Manchester tournaments in which there were seven victories in ten debates; the mixed freshman tournament, with Albion teams tied for first place; non-decision debates with Wayne University, Western Reserve University, Denison University, and Northwestern University; and the climax of the season—the Delta Sigma Rho tournament at Madison. Here the Albion women won five out of six debates.

Comprising the squad were: Elizabeth Abbott, Nancy Atkins, Mary Margaret Baldwin, Cecile Chubb, Betsy Davison, Kathryn Fisch, Lily May Geisler, Helen Harton, Marion Kurtz, Jacqueline Littlefield, Betty McDougal, Betty McIlvenna, Lucy Mildren, Alice Nutting, Eleanor Raymond, Marian Reavey, Shirly Stouffer, Lois Tapert, and Roberta Wiener. Dr. K. G. Hance directed the squad.

The work of the Y. W. C. A. has been that of establishing a closer link between students and of enriching their lives through religious, social, and intellectual expression. Among its activities are the monthly meetings, weekly vesper services in the dormitory, and social work in two of the city schools. It provides "Big Sisters" for the freshmen women and helps sponsor the Freshman Mixer. The most fitting statement of its purpose is in the purpose of all of the Y. W. C. A.'s. "We unite in our desire to realize a full and creative life through a growing knowledge of God. We determine to have a part in making this life possible for all people."

PAN-HELLENIC COUNCIL

The Pan-Hellenic Council was founded in 1917. Its express purpose is to regulate the activities of the sororities on campus. It provides for rushing control, sponsors an annual formal party known as the "Pan-Hel Ball", and presents a cup to the outstanding senior woman each year. The organization is composed of two members from each of the five national sororities.

INTERFRATERNITY COUNCIL

Organized in 1920, the Interfraternity Council is composed of two members of each of the six men's fraternities on the campus. The council attempts to regulate fraternal activities such as rushing, pledging, social activities, and promotes intramural athletics in cooperation with the school athletic department as well as the two independent cooperative houses on campus. Their rules are in accordance with the National Interfraternity conference regulations and they act as intermediaries between the college administration and the individual chapters. Beside cooperating with the Student council on pep sessions, they sponsored the Interfraternity dance in March.

VARSITY FOOTBALL

The gridiron season of 1939 was the Briton's best in twelve years. The purple and gold powerhouse rolled up a total of 170 points while holding their opponents to 23. A well-balanced squad which had pointed to a conference championship for four years, saw Albion achieve victories in all six conference fights, to win decisively—without even a tie to mar its record. So tight was the defense of the Spranklemen, that no conference foe crossed the Briton goal until the last game with Hope.

The thrills which brought campus enthusiasm to its greatest heights in a decade, and left happy memories behind, recall Steve Beban's touchdown pass to Ed Lindow in the Alma game, coming in the last minute of play after a recovered fumble; "Jeep" Frazier's 47 yard return of a punt in the Hillsdale game to score the six points which defeated the Dales, 6-3, and brought Albion the conference title; and Morry (Nick) Trimble's return of the opening kick-off in the Defiance game, for a touchdown.

Mt. Union College, of Ohio, was the only foe to defeat the Britons, winning 13-0 in the opening game, played at Mt. Union. Thereafter, Albion was victorious over Alma, 6-0 at Alma; defeated Kazoo here, 7-0; trounced Adrian, 51-0;

whipped Defiance, 48-0; won over Hillsdale, 6-3, on the Dales' own stamping grounds; crushed Olivet at Homecoming, 39-0; and finished the season with a triumph of 13-7 over Hope.

For two straight weeks, Albion was listed as one of the first five in high-scoring college teams in the country by the New York Times. Walt Ptak, Homer Frazier, and Willy Long were listed on the Little All-American team, composed of top-notch players from the best small-college teams in the country. We can proudly say that the Britons of 1939 were among the strongest—if not the strongest—of the "Fighting Britan" teams ever to represent Albion on a football field.

The Albion yearlings turned out one of the scrappiest freshman teams in recent years, last fall, though no inter-collegiate contests were scheduled. Drill consisted mostly of fundamentals and scrimmage with the varsity. Probably the strenuous practice sessions, which the frash gave the varsity, had much to do with the Britan's fine showing in winning the conference title. Ordell McElhaney, ex '39, and winner of the M. I. A. A.'s first most valuable player award in football, was in charge of the squad. Particularly strong at the tackle positions were "Pop" Striz and Bob Rodda. Jack Reeves, Brad Johns, and Ed Toutant stood out in the backfield.

FRESHMAN FOOTBALL

COACH VOLTMER, PETERSON, SLAYMAKER, BUTLER, NELSON, SMITH.

Three veterans returned for the 1939 tennis season, and with two promising players coming up from the freshman team, the Briton racquet wielders appeared to be in good shape for a successful season. Dale Butler, Don Nelson, and Hayden Smith represented the veteran strength, while Ralph Peterson and Duffield Slaymaker provided the new talent.

Under the direction of Dr. E. F. Voltmer, the courtmen ended the regular season in a tie for third place, and finished in fourth place in the M. I. A. A. Field Day play-offs.

A strong Kalamazoo team, which had just finished an eleven game tour to the South, was too strong for the Britons in their initial match and won, 6-1. Albion returned stronger in its next match and swept through an Adrian team for a 7-0 victory. In a close match with Michigan State Normal College Albion was again successful, winning, 4-3. The win streak was continued against Hillsdale, the Britons winning this time, 6-1. Again the local squad met a non-conference opponent in Calvin College, but won by a decisive 7-0 score.

In their match with Alma, the Britons lost a heart-breaking 4-3 meet, which dropped them behind Hope in the M. I. A. A. standings.

During the season, the local team had the opportunity of playing on an improved set of courts at Alumni Field, which are now the finest in the conference.

VARSITY TENNIS

The Spring season of '39 saw Coach Dale R. Sprankle's frosh tracksters engage in four intercollegiate meets. The Briton first year men defeated Kalamazoo College decisively, but lost to Western State Teacher's College Frosh in regular meets. In telegraphic meets with Colby Frosh of Waterville, Maine, and Oberlin College, Albion tied and lost respectively. The climax of the year came in the M. I. A. A. Freshman Meet, with Albion finishing second to a great team from Alma.

Dr. Voltmer was in charge of the Freshman tennis program, which included some intercollegiate meets. Those participating secured valuable training and seasoning for varsity competition in coming years. Bill Houghton and Forest Hanna looked like promising varsity material in squad practice and intercollegiate contests.

Nine numerals were awarded to the 1939-1940 freshman basketball team. No intercollegiate contests were permitted under an M. I. A. A. ruling, which accounted for the small squad. Nevertheless, good scrimmages were provided for the varsity, and the squad, despite its size was a strong one. Numerals went to Frosh Duguid, Jacobs, Toutant, Chandler, Nester, Tobias, Spears, Meli, and Hill. The cagers were coached by Ted Watts, and it is expected that he will send up some good material for next year's varsity insofar as Dr. Voltmer lost nearly his complete team through graduation, and the need for new talent is apparent. Jacobs, Chandler, Nester, and Meli looked like potential candidates for the '41 quintet.

FRESHMAN TRACK

VARSITY GOLF

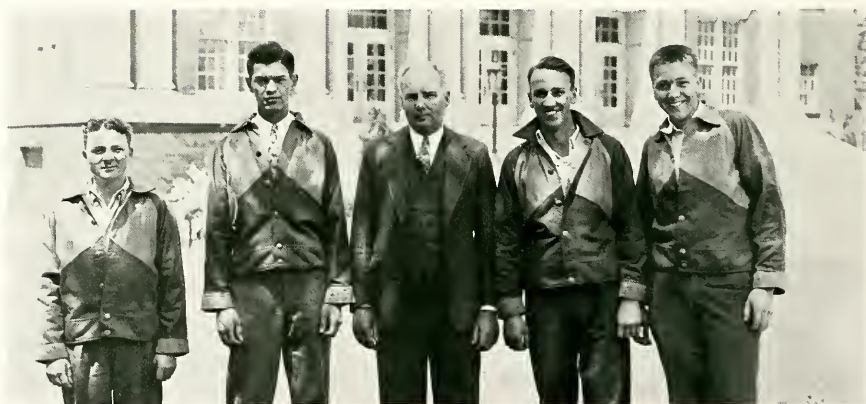

Under the capable direction of Dr. Raymond G. Spencer, the 1939 Briton golfers stroked their way to an undefeated season, only to lose out in the M. I. A. A. Field Day Meet to Kalamazoo, whom they had defeated earlier in the Spring.

Fritz Adams and Jim Fryfogle turned in the best scores during the year, though it was Mort Nelles' ten foot putt on the eighteenth hole, which won a close match for the Britons at Olivet, and kept them in the running.

Alma College was the only school to play the Britons to a tie, the meet ending in a 6-6 score. Albion turned in a 7-5 win over North Manchester, and also defeated Calvin College in non-conference competition. Conference victories were scored over Hillsdale, Kalamazoo, Hope, and Olivet.

Three veterans will return for the 1940 squad, which should prove to be valuable assistance in the drive for the All-Sports Trophy. All local matches were played on the Duck Lake golf course.

NELLES, AYLING, DR. SPENCER, FRYFOGLE, ADAMS

Albion's "Miss Briton," Carol Harger, was chosen this Spring during the "Big Three" weekend, over all other senior women.

"Miss Briton," besides being attractive and popular, has a string of activities accredited to her since her freshman year here. She is an officer of the Alpha Chi Omega sorority, is a member of the Spanish club, Art club, Forum club, the Campus Religious Council, and W. A. A. She has served on the Y. W. C. A. cabinet and Student Council. Last spring she was chosen president of Chevron because of her scholastic ability and her activities on campus.

"Miss Briton's" court consisted of the four girls who were in competition with her for the honor. They were Helen Compton, Shirley Frye, Millicent Murdoch, and Marian Yinger.

VARSITY CLUB

Membership in the Varsity club is based wholly on athletic awards and individual ability. The group has been especially cooperative in sponsoring the "Big Three" weekend when "Miss Briton" is elected. The coed chosen for this honored position is representative of the campus at the M. I. A. A. Track and Field Day held in May.

Beside working on the "Big Three", the club sponsors many of the all campus migrations to foreign fields of athletic intrigue, commonly known as "Caravans".

From this group is chosen the "Vigilante Council" whose duty it is to impress the freshmen with the importance of tradition on campus.

ALBION COLLEGE, ALBION, MICHIGAN

The Year 1940 Marks the
Fiftieth Anniversary of the ALBIONIAN

For more than one-fourth of that fifty years we have been making photographs for the Annual and have enjoyed the experience—it keeps us feeling young to work with young people.

We have regarded our work for the Albionian as a sacred trust, and have endeavored to maintain a high standard of photographic quality in keeping with the high standards of Albion College and its personnel.

*May the future years bring ever better . . . bigger . . . ALBIONIAN*S

All negatives made during the past years are kept on file and our customers often call on us for duplicate photographs.

Cooking on a Hi-Lo Camp Stove is a snap! Anyone can become a good outdoor cook when he can regulate the heat as effectively as if cooking on a gas stove.

The grid collapses and fits inside the metal fire pan, which in turn fits in a heavy cardboard carton for easy carrying.

The Campus-wise are camp-wise . . . they use Hi-Lo Camp Stoves.

A Symbol of Service

A devotion to an ideal, by master craftsmen, in the production of high quality engravings merits the Service Engraving Company an enviable position in the school annual field. Truly this name symbolizes all that is fine in the creation of superior yearbooks.

Service Engraving Company • Detroit, Mich.

ON MAINTAINING LEADERSHIP . . .

- To win and consistently hold a place as the recognized leader of school annual printing, has been the record of Rogers Printing Company since its beginning in 1908.
- That we have, during a period of 32 years, successfully produced hundreds of annuals for schools throughout the country, attests our ability to satisfy completely the most discriminating Year Book Staff.
- New ideas, coupled with the knowledge and experience gained through a quarter of a century's service, insure the school that chooses a Rogers printed book of ideal pages "From Start to Finish."
- We are proud that the staff of THE ALBIONIAN entrusted its printing to our organization and we herewith present it as an example of our work.
